

There Is No Christmas Like a Home Christmas

Perry Como

There is no Christmas
Like a home Christmas
With your Dad and Mother
Sis an' Brother there

With their
Hearts humming
At your home comin'
And that
Merry Yuletide spirit
In the air

You can feel that
Yuletide spirit

Christmas bells
Christmas bells
Ringing loud
An' strong
Follow them
Follow them
You've been away
Too long

There is no Christmas
Like a home Christmas
For that's
The time of year
All roads lead home

Merry Christmas
Merry
Merry Christmas

Christmas bells
Christmas bells
Ringing loud
An' strong
Follow them
Follow them
You've been away
Too long

There is no Christmas
Like a home Christmas
For that's
The time of year
The time
When all roads
Lead home

La, la, la, la
