

# Please

Pete Murray

For always I'll see you there  
For always I'll hold your hand  
For always be your man

Please say something I want you to add  
To this morning I have to go and  
All is nothing without you.. without you.. without you. without  
you

For always I'll see you there  
For always I'll hold your hand  
For always be your man  
Be your man [x5]

Please say something I want you to add  
To this morning I have to go and  
All is nothing without you... Without you... Without you. Witho  
ut you

Please... please... please... say something
