I'm One

Pete Townshend

Every year is the same I feel it again, I'm a loser No chance to win

Leaves start falling Come down is calling Loneliness starts sinking in

But I'm one, I am one And I can see that this is me I will be, you'll all see, I'm one

Where do you get Those blue, blue jeans Faded, patched, secret, so tight?

Where do you get? That walk oh, so lean Your shoes and your shirt's all just right

But I'm one, I am one And I can see that this is me I will be, you'll all see, I'm the one I'm the one

I got a Gibson without a case But I can't get that even-tanned look on my face Ill-fitting clothes and I blend in the crowd Fingers so clumsy, voice too loud

But I'm one, I am one, yeah I can see that this is me I will be, you'll all see, I'm the one You see, I'm one, I'm one
