## Some Kind Of Wonderful

## **Peter Cincotti**

All you have to do is touch my hand To show me that you understand And something happens to me That's some kind of wonderful

Anytime my little world seems blue I just have to look at you And everything seems to be Some kind of wonderful

I know I can't express This feeling of tenderness There's so much I want to say But the right words just don't Come my way

I just know when I'm in your embrace This world is a happy place And something happens to me That's some kind of wonderful

I know I can't express This feeling of tenderness There's so much I want to say But the right words just don't Come my way

I just know when I'm in your embrace This world is a happy place And something happens to me That's some kind of wonderful
