

# It Takes Time

Peter Green

Every time, baby, I got you off my mind  
Little by little I watch my love slow down  
Do you know what it means to be alone?  
Today you're laughing, pretty baby, tomorrow you could be cryin  
g

They say every dog has its day  
The good dogs win and the bad fade away  
Do you know what it means to be alone?  
Today you're laughing, pretty baby, tomorrow you could be all a  
lone

You live for the day, you leave your 'morrow's all alone  
You got a little child, don't try to make it home  
Do you know what it means to be alone?  
Today you're laughing, pretty baby, tomorrow you could be all a  
lone
