

Lesson In My Life

Peter Tosh

I've learned a lesson in my life
a lesson in my life
always be careful of mankind
be careful of mankind
they make promises today
but tomorrow change their mind
they make promises today
but tomorrow change their mind
I'm an upfill man and I love upfill people
I'm a progressive man and I love progressive people
I'm a truthful man and I love truthful people
I'm an honest man and I love honest people
I've learned a lesson in my life
a lesson in my life
always be careful of your friends
be careful of your friends
money can make friendship end
make friendship end
for a single pound
they will carry you down
I'm an upfill man and I love upfill people
I'm a progressive man and I love progressive people
I'm a truthful man and I love truthful people
I'm a determined man and I love determined people
I've learned a lesson in my life
a lesson in my life
you just can't please everybody
so you got to please yourself
you just can't please everybody
so you got to please yourself
you just can't please everybody
so you better please yourself
I'm an upfill man and I love upfill people
I'm a progressive man and I love progressive people
I'm a conscious man and I love conscious people
I'm an honest man and I love honest people
I'm a determined man and I love determined people
I'm a genuine man and I love genuine people
I'm a three eyed man and I love three eyed people
I'm an upfill man and I love upfill people
I'm a progressive man and I love progressive people
I've learned a lesson in my life
some lesson in my life
