

# I Don't Blame You

Phantogram

And when you talk, I'm barely listening  
I'm on the wrong side of town  
And I'm wrapped up in gauze  
I should've known, that I can turn around  
It's taking everything, It's taking everything

'Cause I don't blame you  
No I don't blame you  
I don't blame you  
No I don't blame you

It's just a day  
I'm feeling so collect  
A happy day  
Should never have to hurt so bad

'Cause I don't blame you  
No I don't blame you  
I don't blame you  
No I don't blame you (2x)

It's just a day  
I should've slept it off  
I should've stayed in bed  
I should've took your call
