everybody in this place get up and move away

for all i care this town's already dead and empty

I'm told that i'm a victim of obsession
A **F#**
that's what my friends say
D **Bmi** **E**
oh i'm a fool for having ever let her tempt me

A **E**
I turn pale when she walks by
F# **A**
I am lost in her eyes
D **A**
She is always on my mind
D **A**
She is always on my mind

D **A**
She glances over but she keeps on walking down that street
D **A**
all i can do is hope that she is thinking of me
D **A** **F#**
if i could blink, if i could breathe, if i could get my legs to move
D **Bmi** **E**
well this could be the day i get this girl to love me

A **E**
I turn pale when she walks by
F# **A**
I am lost in her eyes
D **A**
She is always on my mind
D **A**
She is always on my mind

F# **A**
She had turned, from a sound
Bmi **F#**
well i must have cried out loud
D **A**
She is always on my mind
D **A**
She is always on my mind

D **A** **F#**
if i could blink, if i could breathe, if i could get my legs to move
