

# Brand New

Pharrell Williams

[Refrain 2x: Pharrell]

My love

[Verse 1: Pharrell]

Wins and never quits

Quits and never wins

I thought about what I wanted

And you were on my list

[Verse 2: Justin Timberlake]

Remember where I was? Annotate

In the desert with no love

No cactus's, just dust

And you swept me from above

[Refrain: Both]

My love

[Pre-Chorus: Both]

So I just wanna say

Thank you for this day

Cause it is so good

Good

[Chorus: Both]

Honey, you got me feelin' brand new

You got me feelin' brand new

Like the tag's still on me

Got the tags still on me

Jumpin' 'round in your bag

Jumpin' 'round in your bag

So good morning, ooh girl

You are the feeling I'm jammin' to (brand new)

You are the feeling I'm jammin' to (brand new)

Like the tag's still on me

Got the tags still on me

[Refrain 2x: Both]

My love

[Verse 3: Pharrell]

Life to me is easy

People make it complicated

When love is the tool

No reason we can't make it

[Verse 4: Justin Timberlake]

Come on, let's go, be brave

Feel somethin' at the [?]

Once we know that amaze

Then give it all the way

[Refrain: Both]

My love

[Pre-Chorus: Both]

So I just wanna say

Thank you for this day  
Cause it is so good  
Good

[Chorus: Both]

Honey, you got me feelin' brand new  
You got me feelin' brand new  
Like the tag's still on me  
Got the tags still on me  
Jumpin' 'round in your bag  
Jumpin' 'round in your bag  
So good morning, ooh girl  
You are the feeling I'm jammin' to (brand new)  
You are the feeling I'm jammin' to (brand new)  
Like the tag's still on me  
Got the tags still on me

[Bridge: Both]

All my life, when I describe  
What I want, I've been misunderstood  
The more I try, at bein' satisfied  
And didn't think that I could  
But then you came along, and you made me strong  
Like God said you would

[Pre-Chorus: Both]

So I just wanna say  
Thank you for this day  
Cause it is so good  
Good

[Chorus: Both]

Honey, you got me feelin' brand new  
You got me feelin' brand new  
Like the tag's still on me  
Got the tags still on me  
Jumpin' 'round in your bag  
Jumpin' 'round in your bag  
So good morning, ooh girl  
You are the feeling I'm jammin' to (brand new)  
You are the feeling I'm jammin' to (brand new)  
Like the tag's still on me  
Got the tags still on me
