

A Time and a Place

Phil Keaggy

There is a time and a place for everything
This is the time, this is the place
And we can sing songs and play guitar
And shoot the breeze,
And we can talk about the human race
After all we are part of it all.

Have you considered the sparrows up above?
They do not sew, they do not reap.
And yet your Heavenly Father feeds them,
And His love for you is much more deep.
After all you are part of it all.

Said the robin to the sparrow,
I would really like to know
Why these anxious human beings
Rush about and worry so.
Said the sparrow to the robin,
Friend, I think that it must be
That they have no Heavenly Father
Such as cares for you and me.

Have you considered the sparrows up above?
They do not sew, they do not reap.
And yet your Heavenly Father feeds them,
And His love for you is much more deep.
After all you are part of it all.
There is a time and a place for everything
This is the time, this is the place.
This is the time and the place for Jesus
Cause Jesus is everything to me.
