

# Don't Let Go Of My Heart

Phil Keaggy

All alone in the cold-hearted night  
I was fading fast  
You came to me in a whole new way  
And it came to pass

I can't believe You opened up the way  
With tears now I ask

Don't let go of my heart  
Don't ever leave me here too long in isolation  
Don't let go of my heart  
I do believe You're here to offer consolation

There were signs all along the road  
And throughout my life  
Gentle reminders of the way I should go  
And You were by my side

Oh, let me see what I long to behold  
Open my eyes

Don't let go of my heart  
Don't ever leave me here too long in isolation  
Don't let go of my heart  
I do believe You're here securing my salvation

The dawn of light is nearing  
The night is disappearing  
I'm looking through the clearing  
Waiting to embrace You

Don't let go of my heart  
For You are with me here, I know You'll leave me never  
Don't let go of my heart  
You are my guiding light forever and forever

Don't let go of my heart  
For You are with me here, I know You'll leave me never  
Don't let go of my heart  
You are my guiding light forever and forever

Don't let go of my heart  
Don't ever leave me here too long in isolation  
Don't let go of my heart  
I do believe You're here securing my salvation
