

River Of Life

Phil Keaggy

Ooh

I watch you dancin' inside your wide-eyed world
Your heart is a flag unfurled
You say everything is all right, it's okay,
And then you're on your way,
Even if I know that you've turned aside,
You would still hear me say,
I know you think there's nothing that you haven't tried,
But trying won't take you...

To the river, to the river of life,
Where tears disappear in the flow,
To the river, to the river of life,
It's where you and I wanna go,
Down to the river,
Where the roots of the healing trees,
Draw from the river, the water of life,
For the healing of you and me,

There's nothing you can do that has not been done,
So let the river run
We'll see everything as it was meant to be
So come along with me,

To the river, to the river of life,
Where tears disappear in the flow,
To the river, to the river of life,
It's where you and I wanna go,
Down to the river,
Where the roots of the healing trees,
Draw from the river, the water of life,
For the healing of you and me,

Ah ah ah ah ah ah

To the river, to the river of life,
Where tears disappear in the flow,
To the river, to the river of life,
It's where you and I wanna go,
Down to the river,
Down to the river,
Yeah

To the river, to the river of life,
Yeah yeah yeah
To the river, to the river of life,
Yeah ah ah
To the river, to the river of life,
Ooh
To the river, to the river of life,
Yeah yeah yeah

To the river, to the river of life,
To the river, to the river of life,
To the river, to the river of life,
Where tears disappear in the flow,
To the river, to the river of life,

It's where you and I wanna go,
To the river, to the river of life,
To the river, to the river of life,
