

There With You

Phil Keaggy

Love, you have my
Undivided devotion to you
Nothing can change my
Unconditional loyalty too
You're like a bright star sparkling
And dancing with the moon
Painting canvas,
Listening to old 40's tunes

You love life and all that is true
Traveling the world with
Your friends along side of you
Vinyl recordings, a cup of tea for two,
Pictures of your journey
Wish I was there with you

Love, you have my
Undivided devotion to you
Nothing can change my
Unconditional loyalty too
You're like a bright star sparkling
And dancing with the moon
Painting canvas
Listening to old 40's tunes

21 years ago a gift was given
To me from heaven
Gave my soul a lift
Eyes of green were formed
In a sea of blue
There is always this yearning
Wish I was there with you
I was there with you,
Was there with you
Love, you have my
Undivided devotion to you
Nothing can change my
Unconditional loyalty too
You're like a bright star sparkling
And dancing with the moon
So Paint your canvas as
You're listening to old 40's tunes
