

What A Love

Phil Keaggy

Since the day I came to You,
I have never been the same.
You led me to where I could hear the truth,
And now I call on Your name all day.

I'm alive, You forgave my foolish pride,
What a love.
Deep inside, where I live there You abide,
What a love.
Thinking of such a love.
All the time I wasted when I was living for myself,
You said to me I could be born again,
And now I can trust in Your help all day.

I'm alive, You forgave my foolish pride,
What a love.
Deep inside, where I live there You abide,
What a love.
Thinking of such a love.

He said, come this way, I understand,
You've been missing out on life.
Could you stay and lend an ear,
Are you open to advice

I'm alive, You forgave my foolish pride,
What a love.
Deep inside, where I live there You abide,
What a love.
Thinking of such a love.

Now we play a different tune,
Quite unlike the old cliches,
You gave me a new song this afternoon,
And now I sing to Your praise all day.

I'm alive, You forgave my foolish pride,
What a love.
Deep inside, where I live there You abide,
What a love.
Thinking of such a love.
