## **Wading in the Velvet Sea**

Phish

I took a moment from my day Wrapped it up in things you say Mailed it off to your address You'll get it pretty soon unless

The packaging begins to break
And all the points I tried to make
Are tossed with thoughts into a bin
Time leaks out my life leaks in

You won't find moments in a box
And someone else will set your clocks
I took a moment from my day
Wrapped it up in things you say
And mailed it off to you
