

Never Give Up

Pilot

Yes, I'm gonna grab you up today
I'm gonna take you, take you away
I'm gonna wake you up
I'm gonna shake you up
Believe what I say
I'm gonna take you away

I gotta get a move on
I ain't got no time
Ain't got no trouble
I'm feeling fine
I'm gonna tease you some
I'm gonna squeeze you some
In the cold

Never give up
Never give up
I'm gonna try and I'll never give up
You'll be my friend
Stay to the end
I'm gonna try and I'll never give up

Yes, I'm gonna grab you up today
I'm gonna take you, take you away
I'm gonna wake you up
I'm gonna shake you up
Believe what I say
I'm gonna take you away

Take off your clothes tonight
We'll have some fun alright

Never give up
Never give up
I'm gonna try and I'll never give up
You'll be my friend
Stay to the end
I'm gonna try and I'll never give up
