But I can you.
2. Lazing in the foggy dew  
Sitting on a unicorn.  
No fair, you can't hear me  
But I can you.
3. Watching buttercups cup the light  
Sleeping on a dandelion.  
Too much, I won't touch you  
But then I might.
4. Screaming through the starlight sky  
Travelling by telephone.  
Hey ho, here we go  
Ever so high.
5. Alone in the clouds all blue  
Lying on an eiderdown.  
Yippee! You can't see me  
But I can you.
