1. Hey you out there in the cold

Hmi

Getting lonely, getting old, can you feel me

Emi

Hey you standing in the aisles

Hmi

with itchy feet and fading smiles, can you feel me

Hey you don't help them to bury the light

Don't give in without a fight.

2. Hey you out there on your own

Hmi

Sitting naked by the phone would you touch me

Emi

Hey you with your ear against the wall

Waiting for someone to call on would you touch me

D

Hey you would you help me to carry the stone

Hmi

Ami

Emi Dmi

open your heart I am coming home.

The wall was too high,

3. Hey you out there on the road

Doing what you're told, can you help me

Hey you out there beyond the wall

Breaking bottles in the hall, can you help me

Hey you don't tell me there's no hope at all

Together we stand, divided we fall.
