

The Dogs Of War

Pink Floyd

Cm

1. Dogs of war and men of hate,
with no cause, we don't discriminate
Discovery is to be disowned,
our currency is flesh and bone

Ebm

Hell opened up and put on sale,
gather 'round and haggle

Cm

For hard cash, we will lie and decieve
Even our masters don't know the web we weave

Ab

R: One world, it's a battleground.

Fm

One world, and we will smash it down.

Cm

One world... One world

2. Invisable transfers, long distance calls,
hollow laughter in marble halls
Steps have been taken,
a silent uproar has unleashed the dogs of war
You can't stop what has begun,
signed, sealed, they deliver oblivion
We all have a dark side, to say the least
And dealing in death is the nature of the beast

R: One world, it's a battleground.
One world, and they smash it down.
One world... One world

3. The dogs of war don't negotiate,
the dogs of war won't capitulate,
They will take and you will give,
and you must die so that they may live
You can knock at any door,
But wherever you go, you now they've been there before
Well winners can lose and things can get strained
But whatever you change, you know the dogs remain

R: One world, it's a battleground
One world, are we gonna smash it down
One world... One world
