

Time

Pink Floyd

- F#mi** **A**
1. Ticking away the moments that make up a dull day
E **F#mi**
You fritter and waste the hours in an off hand way
F#mi **A**
Kicking around on a piece of ground in your home town
E **F#mi**
Waiting for someone or something to show you the way
- Dmaj7** **Amaj7**
2. Tired of lying in the sunshine staying home to watch the rain
Dmaj7 **Amaj7**
You are young and life is long and there is time to kill to day
Dmaj7 **C#mi7**
And then one day you find ten years have got behind you
Hmi7 **E**
No one told you when to run, you missed the starting gun
3. And you run and you run to catch up with the sun,
but it's sinking
And racing around to come up behind you again
The sun is the same in the relative way, but you're older
Shorter of breath and one day closer to death
4. Every year is getting shorter, never seem to find the time
Plans that either come to naught or
half a page of scribbled lines
Hanging on in quiet desperation is the English way
The time is gone, the song is over,
thought I'd something more to say
5. Home, home again
I like to be here when I can
And when I come home cold and tired
Its good to warm my bones beside the fire
Far away across the field
The tolling of the iron bell
Calls the faithful to their knees
To hear the softly spoken magic spells.
