The girl from Shalabiyah  
Her honey-colored eyes  
I love you from my heart, oh my heart  
You are my eyes  
I love you from my heart, oh my heart  
You are my eyes

Under the arch  
My lover is waiting  
Breaking my thoughts, oh loved one  
It is hard on me  
Breaking my thoughts, oh loved one  
It is hard on me

You appear in the distance  
Wounded heart  
Days on the mind they come and go

Under the pomegranate tree  
My love talks with me  
Sing songs to me, oh my eye  
And flirting with me  
Sing songs to me, oh my eye  
And flirting with me
