

## But Now I'm Back

Pink Martini

My dear Maria  
I'm here to see ya  
Won't you please, please open the door  
I brought ya flowers  
Been waitin' hours  
Can't stand it anymore

So here's what happened  
While you were nappin'  
I just went out for a snack  
I was feelin' famished  
And then I vanished...  
But now I'm back

Now he's back  
Had a snack  
Now he's back

My heart is burning  
For that love of ours  
Yearning  
For that sea of stars  
Let me in so I can prove to you  
That no one else  
Can love you, girl  
The way that I do

Oh, how I miss ya  
I wanna kiss ya  
And hold you close  
From dusk to dawn  
So let's just make up  
And when you wake up  
I promise not to be gone

You know I love ya  
Dream only of ya  
So please, please cut me some slack  
I went away  
Just a couple of days...  
But now I'm back

Now he's back  
Cut him slack  
Now he's back

Maria, baby,  
I guess that maybe  
You're still a little angry with me  
But it's getting late and  
The boys are waitin'  
Gotta get something to eat

I better go now  
I hope you know now  
I love you, that's a fact  
Gotta hurry

But don't you worry, babe...  
Cause I'll be back

He'll be back  
It's a fact  
He'll be back  
Don't attack...
