

# Just Like A Pill

Pink

**A A/F# D E**

**A A/F# D**  
1. I'm lyin' here on the floor where you left me

**E**  
I think I took too much

**A A/F# D**  
I'm crying here, what have you done?

**E**  
I thought it would be fun

**D E**  
I can't stay on your life support, there's a

**D**  
shortage in the switch,

**E D**  
I can't stay on your morphine, cause it's making me itch

**E**  
I said I tried to call the nurse again but she's

**D**  
being a little bitch,

**E**  
I think I'll get outta here, where I can

**A F#mi**  
R: Run just as fast as I can

**D**  
To the middle of nowhere

**E**  
To the middle of my frustrated fears

**A F#mi**  
And I swear you're just like a pill

**D E**  
Instead of makin' me better, you keep makin' me ill

**A**  
You keep makin' me ill

2. I haven't moved from the spot where you left me  
This must be a bad trip  
All of the other pills, they were different  
Maybe I should get some help

I can't stay on your life support, there's a  
shortage in the switch,  
I can't stay on your morphine, cause it's making me itch  
I said I tried to call the nurse again but she's  
being a little bitch,  
I think I'll get outta here, where I can

R: Run just as fast as I can... (2x)

3. I can't stay on your life support...
