

Leave Me Alone (I'm Lonely)

Pink

1. Go away

Give me a chance to miss you
Say goodbye
It'll make me want to kiss you
I love you so
Much more when you're not here
Watchin all the bad shows
Drinking all of my beer
I don't believe Adam and Eve
Spent every goddamn day together
If you give me some room
there will be room enough for two

R: Tonight

Leave me alone I'm lonely
Alone I'm lonely
I'm tired
Leave me alone I'm lonely
Alone I'm lonely tonight

2. I don't wanna wake up with another

But I don't wanna always wake up with you either
No you can't hop into my shower
All I ask for is one f**kin' hour
You taste so sweet
But I can't eat the same thing every day
Cuttin off the phone
Leave me the *f**k alone
Tomorrow I'll be beggin' you to come home

R: Tonight...

*: Go away - Come back (2x)

Why can't I just have it both ways
Go away - Come back (2x)
I wish you knew the difference
Go away - Come back
Go away
Give me a chance to miss you
Say goodbye
It'll make me want to kiss you (3x)

R: Tonight... (2x)

Tonight - Go away
Give me a chance to miss you
(Leave me alone I'm lonely
Alone I'm lonely) - Say goodbye
It'll make me want to kiss you
I'm tired - Go away
Give me a chance to miss you
(Leave me alone I'm lonely
Alone I'm lonely)
Say goodbye
It'll make me want to kiss you
Tonight - Go away
Give me a chance to miss you
Say goodbye

It'll make me want to kiss you
