

Housewife's Prayer

Pistol Annies

I've been thinking about
Setting my house on fire
Can't see a way out of the mess I'm in
And the bills keep getting higher
All I need is a match and a gallon of gas
God I'm getting tired
Gonna set this house on fire

I've been thinking about
Going off the deep end
My man can't get no overtime
And the baby ain't been sleeping
All I need is a washing machine
These ends of mine ain't meeting
I'm about to go off of the deep end

Ooh, ooh

Well I've been thinking about
All these pills I'm taking
I wash them down with an ice cold beer
And a love I ain't been making
Oh, I feel like I'm burning up
With words I ain't been saying
And all these pills I'm taking

Ooh, ooh

I've been thinking about
Setting my house on fire
