Ain't Got You

Pixie Lott

All I ever wanted was to love you
Boy I never meant to cause you pain
And I only got myself to blame

Now you're gone, I can't stop thinking of you
Everytime I hear your name
I think of what I've done, again and again

See, I'm all alone tonight
With just a memory
And baby you're a million miles away
I can't take another day

If I ain't got you
I ain't got anything
It just don't feel the same
Yeah, if I ain't got you, oh

Baby, I'll remember when you
I'll remember how you used to say
There was nothing I could do to push you away

I know, I know that things are changed forever
When I look into your eyes
Oh, I see now the tears that you cried

See, I'm all alone tonight
With just a memory
And baby you're a million miles away
I can't take another day

If I ain't got you
I ain't got anything
It just don't feel the same
Yeah, if I ain't got you, oh

If I could, I would pick up the pieces of your broken heart
And I'd put it back together
