

Reeling

PJ Harvey

I wanna bathe in milk
Eat grapes
Robert De Niro sit on my face
I can't sleep for thinkin'
Send my head a reelin'
Reelin', reelin', reelin', reelin', reelin', reelin', reelin', reelin'

I wanna go to Spain
Spend nights
Just sippin' on nectar and ice
I can't sleep for thinkin'
Send my head a reelin'

You bet that I'm Wayne
To backhand

Eliminate a whole race
Wanna make the shit hit the fan
I can't sleep for thinkin'
Send my head a reelin'
Reelin', reelin'

Even Aphrodites
She's got nothing on me
Reelin', reelin'

Take me to the moon
Take me to the moon
Take me to the moon
Take me to the moon
Take me to the moon
Take me to the moon
Ah fly me to the moon
Take me to the moon

Dye my hair on stage
Call on my man, Romeo
Come and climb my braids
Reelin', reelin'
Reelin', reelin', reelin', reelin', reelin'

Even Aphrodites
She'll have nothing on me
Reelin', reelin', reelin', reelin', reelin'

Ah
Take me to the moon
Take me to the moon
Fly me to the moon
Take me to the moon
Take me to the moon
Take me to the moon
Fly me to the moon
Take me to the moon
Take me to the moon
Reelin', reelin'
Take me to the moon

Reelin', reelin'
Fly me to the moon
Reelin', reelin'
Take me to the moon
Reelin', reelin'
Reelin', reelin'
Reelin', reelin'
...
