

## Snake

PJ Harvey

You snake you crawled between my legs  
said want it all it's yours you bet  
I'll make you queen of everything  
no need for god no need for him  
just take my hand you'll be my bride  
just take that fruit put it inside  
you snake you dog you fake you liar  
I've burned my hands I'm in the fire  
oh  
you salty dog you filthy liar  
my heart it aches I'm in the fire  
you snake I ate a true belief  
good lord your fruit's inside of me  
oh Adam please you must believe  
that snake put it in front of me  
that snake put it in front of me  
in front of me
