

Flesh & Bone

Plan B

At the end of the day you're just flesh and bone
We're all flesh and bone, yeah
When we're all said and done that ain't nothing so
You ain't nothing bro, no

You ain't nothing can't you see
Not in my eyes no Siree
You ain't family, not no love
Just a stranger in the street
Guess you always knew your place
Somehow that left a bitter taste
Lord, you try and put me in mind
But it's blown up in your face

At the end of the day we're just flesh and bone
We're all flesh and bone, yeah
When we're all said and done that ain't nothing so
You ain't nothing bro, no, not to me

And think you're something, guess again
I turned your back on all your friends
And no one's brudging on that breath
Just someone who pretends
Now you've milked all you can milk
Every last little fucking drop that spills
You're off to greener pastures
On the other side of the fence you built

At the end of the day we're all flesh and bone
When we're all said and done that ain't nothing so
You ain't nothing bro, no, not to me

Every inner gold bar is another nail in your coffin
You believe your own lies and really have no intention of stopping
I don't hate you, I don't love you, neither geezer, you mean nada
I ain't anything like you, if I was my daughter be without a father

Friends don't fall
Blood from water
I don't know ya
And I don't wanna

At the end of the day you're just flesh and bone
We're all flesh and bone, yeah
When we're all said and done that ain't nothing so
You ain't nothing bro, no, not to me
