Honey And Oil

Plankeye

i'm listening it's me she's twisting honey and oil she's as bitter as the soil she spells the end of my life today are you listening if you're not for me then you're against me if you're going to tempt me then go ahead and leave me honey and oil she's as bitter as the soil she spells the end of my life today she's as cold as the snow he told me, "if you're going to waste your life then go just go " yeah i'm listening
