

Questions

Plankeye

Are you feeling the same way?
And can you understand all my selfish pain?
Consequence has shown its ugly face again
And now I find myself in shambles
Crying out to you again
I can't see with my eyes closed
So shut them tight
I hide them from the light
Do you know where you're going?
Do you know what you're doing as you're going insane?
Can you even contemplate?
And are you man enough to learn from my mistakes?
If I take a look inside and take a step aside
I'll find there's no place to run
There is no place to hide
