

Haunted

Poe

Come here, pretty please
Can you tell me where I am?
You, won't you say something?
I need to get my bearings
I'm lost and the shadows keep on changing

And I'm haunted
By the lives I have loved
And the actions I have hated

I'm haunted
By the lives that wove the web
Inside my haunted head

Don't cry, there's always a way
Here in November
In this house of leaves we'll pray

Please, I know it's hard to believe
To see a perfect forest
Through so many splintered trees
You and Me and these shadows Keep on changing

And I'm haunted
By the lives that I have loved
And the actions I have hated

I'm haunted
By the promises I have made
And others I have broken

I'm haunted
By the promises I've made
And others I have broken

I'm haunted
By the lives that wove the web
Inside my haunted head

Hallways always
I'll always want you
I'll always need you
I'll always love you
And I'll always miss you

Come here, no, I won't say please
One more look at the ghost
Before I'm gonna make it leave

Come here, I've got the pieces here
Time to gather up the splinters
Build a casket for my tears

I'm haunted
By the lives I have loved
I'm haunted
By the promises I have made

I'm haunted
By the hallways in this tiny room
The echos there of me and you
The voices there are carrying this tune
