

# Phantom Limb

Polkadot Cadaver

I don't know how,  
I don't know how, but they've found me  
It's only a matter of time,  
Before I'm hanging by a light post in the center of  
town  
Along with my family

We'll drink to the dead now, just ghosts in the war  
fields  
Eat bread as the body of a god make believe  
These sticks and these stones will break hearts and  
split bones  
Peace of mind only comes when you realize...

You can't chase away all your demons now  
With withered and broken legs...  
As your crippled sanity  
Swings like a pendulum,  
Hanging like a phantom limb

I don't know why,  
I don't know why you ever loved me,  
Such a low, down right, pitiful fool  
Look at you now,  
Hanging by a thread  
Under a full moon

We'll drink to the dead as we gulp down the blood  
We'll chase it with whiskey and swallow the floods  
That wash away souls of which I can't forgive  
That hover like a phantom limb

You can't chase away all your demons now  
With withered and broken legs...  
As your crippled sanity  
Swings like a pendulum,  
Hanging like a phantom limb

Phantom hovering silently,  
hanging like the guilty  
(2x)  
Phantom hovering silently

Dizzy vultures in my head,  
Slowly circling the dead  
Nauseating nursery rhymes

You can't chase away all your demons now  
With withered and broken legs...  
As your crippled sanity  
Swings like a pendulum,  
Hanging like a phantom limb
