

## Cloud City

Pond

Welcome you to Cloud City  
Capital of the sky  
Where all the girls are so pretty  
And all the boys are so  
High, ah, ah, ah

Cloud city, cloud city  
Cloud city

Welcome you to Cloud City  
Where the (?)  
And melting golden popsicle  
And God (?) that you can only find  
Cloud city

Cloud city, cloud city  
Cloud city

It's a Cloud City on a windy day  
When heat and day were in a milky way now
