

## Mystery

Pond

I'm never really sure  
Where to go or what to do  
All I really know  
Is that I've got you  
Every time I wake  
I focus on what I see  
When I see it's you  
I hope it's not a dream

Every morning, I  
I wake up sighing  
But I still  
Haven't figured it out  
It's still a mystery

I washed up on the shore  
Shaking and confused  
I tamper all my thoughts  
Of a less view of you  
The stars are out tonight  
Everything is as it seems  
And when I see it's you  
I hope it's not a dream

Every morning, I  
I wake up sighing  
But I still  
Haven't figured it out  
It's still a mystery
