

Here I Am

Pony Pony Run Run

Oh why you told me
To stay away
Am I scary
I must confess
I lose
My temper
In front of you
Am I too shy
Nobody cares

Rationally I am ready to let people know

Here I am
Here I am
Here I am
Now you know

Oh why you told me
To stay away
Am I not friendly
Nobody cares

Here I am
Here I am
Here I am
Now you know
Here I am
Here I am
Here I am
Know you know

Rationally I am ready to let people know

Afraid to be seen
I won't hide no more
No-ow you can see

Baby, baby, you can do it

Here I am
Here I am
Here I am
Now you know
Here I am
Here I am
Here I am
Know you know
