

Notorious Lady

Pony Pony Run Run

Notorious lady
I'll never let you down
Discovered maybe
I'm gonna let you find
Why don't you kill me
Kiss me and I'll be fine
Fine
Kiss me and I'll be fine
Fine
Fine

Come on now, now I think you're ready
Ready ready
Just think about it
Come on now, now I guess you're ready
To shoot me shoot me
I guess you'll like it
