

Oh God

Pop Levi

Oh God, what can I do?
Baby, baby, baby I'm a killer for you
Oh God, what can I do?

All turn from pink to blue
Baby, baby, baby just a killer for you
Oh God, what can I do?

I know you'll be mine for the money
Mine for the money
So make a beeline to me honey
Beeline to me honey, too

Oh God, what can I do?
Baby, baby, baby, I'm a loser you
Oh God, what can I do?

All turn from pink to blue
Baby, baby, baby an abuser for you
Oh God, what can I do?

I know you'll be mine for the money
Mine for the money
So make a beeline to me honey
Beeline to me honey, too

"But don't you be lying!"

Oh God, what can I do?
Baby, baby, baby I'm a killer for you
Oh God, what can I do?

Oh God, what can I do?
Baby, baby, baby I'm a gorilla for you
Oh God, what can I do?

I know you'll be mine for the money
Mine for the money
So make a beeline to me honey
Beeline to me honey, too

"But don't you be lying!"
