Car Crash

Powerman 5000

Red, the color the lines the road 225 the fearless explode Who burns rubber from coast to coast supernova gets burned like toast

Gasoline blood fire veins honk Kong flu rides soul train Concrete breakfast, star struck fame first place killer the man with no name,

Machine shop rodeo the scrap pile boss, you're the one who's gonna learn about loss Eyes on the road souls in the gutter burn up the street just like the toe cutter

Don't be foolish don't go insane dead man's curve, ride the inside lane
Concrete breakfast, star struck fame first place killer
