Powerman 5000

What's that sound that you're hearing  
What's that noise...  
It sounds like a trash can exploding  
It sounds like a mess  
It sounds like you're feeling pretty good  
It sounds like a world in distress  
It sounds like the speaker's broken  
It sounds like a fire  
It sounds like OK, OK  
It sounds like a riot

Mega!! Kung fu radio

It sounds like a freak of nature  
It sounds like you've been gone for awhile  
It sounds like you ain't so happy  
It sounds like 5000 style  
It sounds like you think that you're bulletproof  
It sounds like hey what can I say  
It sounds like we're taking over  
It sounds like get out of my way

Mega!! Kung fu radio

What's that... sound!!
