

# Tomorrow Is Yesterday

Powerman 5000

Let yourself be tomorrow  
Tomorrow is yesterday  
So show me the way to get out of this world  
I'll be the one that fades away (right)

You give it, you give it  
You get it, you get it  
You give it, you give it  
And then they take it away  
You give it and they take it away  
You get it and they take it away

Let yourself be tomorrow  
Tomorrow is yesterday  
So show me a way to get out of this world  
I'll be the one that fades away

Let yourself be tomorrow  
Tomorrow is yesterday  
So show me a way to get out of this world  
I'll be the one that fades away (right)

You see it, you see it  
You take it, you take it  
You see it, you see it  
And then they steal it away  
Don't you realize that you can't win  
Cause the place you begin is the place you must end

Right! Yeah! Yeah! Yeah!  
Right! Right! Right! Right!

Let yourself be tomorrow  
Tomorrow is yesterday  
So show me a way to get out of this world  
I'll be the one that fades away

Let yourself be tomorrow  
Tomorrow is yesterday  
So show me a way to get out of this world  
I'll be the one that fades away

Let yourself be tomorrow  
Tomorrow is yesterday  
So show me a way to get out of this world  
I'll be the one that fades away

Yeah!

You give it, you give it  
You get it, you get it  
You give it, you give it  
And then they take it away  
Don't you realize that you can't win  
Cause the place you begin is the place you must end

Right! Yeah! Yeah! Yeah!

Right! Right! Right! Right!  
Right! Right! Right!
