

Inside Out

Prime Circle

So why why do we break again? when I'm sleeping on something else It always happens now and then but it's what I expected the further that you think you got it's turn and it's not much it always happens in the end but it's what I expected but it's what I expected Well we need a need to break to get me by remove me from this circle It's keeps playing with my mind everyday and everynight all this questions all this games All the answers that I say of all the words you just say it's what I expected I feel I'm like caught inside the mirror consumed by the lies of you I'm inside out I'm quite inside this circle Remove me now cause I got better things to do I'm inside out I'm quite inside this Whirlpool nevermind me, no it's what I expected so come on come on come on give me a chance Help me find what to fight for Help me dance the best dance And get back through it all this questions all this games All the answers that I say of all the words you just say it's what I expected I feel I'm like I'm caught inside the mirror consumed by the lies of you I'm inside out I'm quite inside this circle Remove me now cause I got better things to do I'm inside out I'm quite inside this Whirlpool nevermind me it's what I expected I got get from here somehow to find myself See things I never see Leave this town I got see it all I'm inside out Oh I'm spinning around I'm inside out
