

## Curious Child

Prince

In a room full of harlots and fantasy  
Destiny beckoned us there  
Curious child on the balcony  
We took the dare

Careless I was 2 caress thee  
Yet never regretting the time  
The joy that we shared, it was meant 2 be  
And not a crime  
No, it's not a crime

If memory serves us, we will align  
2 the truth that we most often share  
Curious child, U are on my mind  
Do U care?
