Diamonds and Pearls

This will be the day That u will hear me say That I will never run away

I am here for u Love is meant for two Now tell me what u're gonna do

If I gave u diamonds and pearls Would u be a happy boy or a girl If I could I would give u the world But all I can do is just offer u my love

Which one of us is right If we always fight Why can't we just let love decide (Let love decide)

Am I the weaker man Because I understand That love must be the master plan (Love is the master plan)

If I gave u diamonds and pearls Would u be a happy boy or a girl If I could I would give u the world But all I can do is just offer u my love

D to the I to the A to the M O to the N to the D to the pearls of love D to the I to the A to the M (To the M) O to the N to the D to the pearls of love

There will come a time (There will come a time) When love will blow your mind (Blow your mind) And everything U'll look 4 U'll find (Take a look inside)

That will be the time (That will be the time) That everything will shine (Forever) So bright it makes u colorblind (U will be color blind)

If I gave u diamonds and pearls Would u be a happy boy or a girl If I could I would give u the world All I can do is just offer u my love

If I gave u diamonds and pearls (Pearls) Would u be a happy boy or a girl (Yeah yeah) If I could I would give u the world (Give u the world) All I can do is just offer u my love (All I can do)

If I gave u diamonds and pearls (Diamonds)
Would u be, would u, would u
(Would ya, would ya, would ya be happy little baby)
A happy boy or a girl
If I could I would give u the world
