

Endorphinmachine

Prince

Ow!
Come on!
Yeah!
C-c-c-c-c-come on!
Would U please look at this mother next 2 me
Frontin' more booty than Peru got keys
Damn, if I don't get that
Wait right there and I'll be right back
Got a new trick in the back of my car
It's kinda like a movie but U're the star
Lights, camera, make a scene
The Endorphinmachine

Go baby
The Endorphinmachine
Yeah, go baby (Go baby)

Tippy, tippy, tin my friend or shall we begin?
Step right up and I'll strap U in
Don't be shy, this won't hurt a bit
Unless of course U don't believe in it
As sure as the dippy dippy wave of my 'do
U'll believe in somethin' before this night is through
Press one 4 the money, press 2 4 the dream
And get ready 4 somethin' that U've never seen
The Endorphinmachine

Go baby
The Endorphinmachine
Go baby (Go baby)

Tommy Barbarella, turn it on

Uh huh, uh huh
Hold up, wait a minute
Ain't no good unless somebody else is in it
U there with the cynical disposition
Perhaps U'd like 2 join us in a mission
Of fishin' 4 logic in a think tank
Unless, of course, U're feelin' like a punk and take the bank
But every now and then there comes a time U must defend
Your right 2 die and live again, live again, live again
Get up, get up, get in
The Endorphinmachine

It's alright, baby (Go Baby)
Don't be shy (The Endorphinmachine)
Yeah, I ain't gonna hurt U
Go baby

Come on, come on (Endorphinmachine)
Well, I told ya (Go baby)
The Endorphinmachine
Go baby, go baby, go, yeah, yeah, yeah, yeah!
Don't make me!
