Prince

Don't sleep 'til the sunrise, listen 2 the falling rain
Don't worry 'bout tomorrow, don't worry 'bout your pain
Don't cry unless you're happy, don't smile unless you're blue
Never let that lonely monster take control of U

Be glad that U r free
Free 2 change your mind
Free 2 go most anywhere, anytime
Be glad that U r free
There's many a man who's not
Be glad 4 what U had baby, what you've got
Be glad 4 what you've got

I know (my?) heart is beating, my drummer tells me so
If U take your life 4 granted, your beating heart will go
So don't sleep until you're guilty, 'cuz sinners all r we
There's others doing far worse than us, so be glad that U r free
e

Be glad that U r free
Free 2 change your mind
Free 2 go most anywhere, anytime
Be glad that U r free
There's many a man who's not
Be glad 4 what U had baby, what you've got
Be glad 4 what you've got

Soldiers are a marching, they're writing brand new laws
Will we all fight together 4 the most important cause?
Will we all fight 4 the right 2 be free?
Free (Be glad that U r free)
Free 2 change my mind (Free 2 change your mind)
Free 2 go most anywhere, anytime (Free 2 go most anywhere, anyti
me)
I'm just glad, I'm just glad I'm free, yeah (Be glad that U r f
ree)
There's many a man who's not (There's many a man who's not)
Glad 4 what I had baby, (Be glad 4 what U had and)
Glad 4 what I got, oh yeah (for what you've got)
Oh I'm just glad, I'm just glad I'm free, yeah (Be glad that U r
