Prince

(Oh Yeah)

Yeah  
Uh uh

U're gettin dirty at the club again  
I'm usually round Ur waist like a chain but then,  
I got that call so I jumped in my car  
I love U baby,  
But not like I love my guitar

Uh uh, not like I love my guitar, no

U couldn't do it all by Urself  
U had 2 go and get somebody else  
Ur high enough to call me  
But U can't reach the bar  
I love U baby  
But not like I love my guitar, no  
Not like I love my guitar

Oh, listen  
Turn it up

Uh uh

(solo)

Yeah, now dig

I tried 2 warn U that it's hard 2 B a star  
Especially when Ur driving other people's car  
I woulda gave U mine, girl, but U took it 2 far  
I love U baby  
But, just not like I love my guitar  
Uh uh, not like I love my guitar

Oh

I know U love me and U wanna B friends  
And if U don't at least U need 2 pretend  
We're still 2gether even if we don't get that far  
I love U baby  
But not like I love this guitar

I love U, I love U baby  
(Not like I love my guitar)

I love U baby and I wish U well (I wish U well)  
I'll write a letter when I learn how 2 spell  
Until that day, U can go to the... [laugh]  
I love U baby.... U know the rest

Aah aah aah
