How Come U Don't Call Me Anymore

Prince

```
I keep your picture beside my bed, mm
I still remember every little thing U said
I always thought our love, so right, I guess I was wrong, mm, no no
I always thought U'd be by my side baby, now U're gone, U're gone
Now U're gone
Listen...
All I wanna know, baby
If the love we had was good, sing it
How come U don't call me anymore, anymore yeah?
Listen...
Still like a fire on a rainy night, yeah
I still like it better when U're holding, holding me tight
Everybody said that U and me should never part, hah
Maybe U thought we'd look kinda cute 2gether, I dunno
Tell me, tell me baby why, why U wanna go break your little Prince's heart?
All I wanna know, baby
If the love we had was good, sing it
How come U don't call me anymore, yeah?
Anymore yeah
Can I hit the bridge, Portland?
Dig...
Sometimes it feels like I'm gonna die
If U don't call me baby, girl U gotta try
I'm down on my knees, beggin' U please,
Please! Please! Owww!
Portland
Why must U torture me baby?
Acting like U forgot my phone number, girl
U got 2 call me
Acting like U, acting like U forgot the thangs we used 2 do
U got 2 call me, baby
No, ah yeah
Call, call me, call me
U make a black man wanna moan 2night, sing it! (Hey)
U make a white girl wanna moan sometime 2 (Owww!)
Miss, I just wanna say crack kills
Call me
Why must U torture me baby?
Aye aye, call me, no
Aw Portland, I can't leave it like that
Come on band, uh
Can I play one more?
I don't wanna leave U worrying about some stupid fool
Calling U up on the phone
This is how we wanna leave it
```
