

# Hypnoparadise

Prince

All U can hear is the sound of my voice  
Every time I touch your face  
U gonna fall into a deep sleep  
A deep sleep  
A deep sleep

U are the reason I believe that I was born  
U're always there 2 hold me whenever I am scorned  
I'd give my left hand just 2 know your name  
Shall I call U "Savior" just the same'

Hypno paradise, oh-oh-oh  
Hypno paradise, oh-oh-oh

Am I in heaven or hypno paradise'  
This must be heaven cuz hell was never nice  
I don't need permission 2 be happy every day  
As long as I got a freak like U, I'm straight

Hypno paradise, oh-oh-oh  
Hypno paradise, oh-oh-oh

Oh paradise

Touch me I'll go under any spell U choose  
I don't mind the loss my dear, when it comes 2 U, I'll lose  
I can dig them all 2 be wrong as long as U're all right  
This is my destiny - hypno paradise  
Paradise (So nice)

Hypno paradise, oh-oh-oh  
Hypno paradise, oh-oh-oh  
Hypno paradise, oh-oh-oh  
Hypno paradise, oh-oh-oh  
(Oh yes)  
(Say U wanna get it on)  
(Oh yes, oh yes, oh yes, yeah yeah yeah)

U are the reason that I was born  
U're always there baby when I am scorned  
I'd give my left hand, just 2 know your name  
My Savior, every day, yeah ooh

Hypno paradise, oh-oh-oh  
Hypno paradise, oh-oh-oh  
(Oh yes, oh yes, oh yes)
