Hey, baby, hey baby, hey, baby, sitting all alone in my courtyard Lookin' as if U have every right
All over the world they call me Prince

In an hour or 2, U'll be taken to a suite That will rock all Ur wildest dreams And on the bed 3 dresses 2 choose 1, pick 1 Then U get a call from me (ring) Tell me which dress U chose

The energy in this field's been known to flicker lights, aye
A slip O' me with no rest, acapella moans and a break of sighs (goodnight) (
call, call)
Undeterred nevertheless a masterpiece on butterscotch thighs (call, call)
Turn off the lights, turn off the lights
It's time for Mr Goodnight
